6 Levels

This CapstoneEDU learning module is designed to support you in your efforts to elevate your personal resilience and to lead efforts that positively impact the resilience of others - in your department(s) and/or entire organization.

Through this flexible and experiential approach to adult learning, you'll move through 6 Levels of Learning, broken down into 32 "missions" (... bite-sized learning followed by activities of processing/practicing).

You determine your pace throughout the course. The estimated time commitments are:...
