

GBAHC Behavioral Standards

R

RESPECT

- I will earn respect through kept promises and fulfilled expectations.
- I will work to create an atmosphere of acceptance and diversity.
- I will work to maintain and value every individual's right to privacy; accessing and sharing only the information necessary to do my job.

E

EXCELLENCE

- I will remember that regardless of my role, title, department, or location, my job impacts the ability of this organization to provide excellent care.
- I will speak up to report patient safety and environmental concerns while promoting a blameless environment.
- I will take the initiative to maintain and expand my skills through continued learning.

A

ACCOUNTABILITY

- I will use professional, friendly and helpful etiquette on the phone, through email and in person.
- I will be a dependable, reliable, trustworthy and honest team member.
- I will take pride in maintaining a safe, clean and professional facility for all.

C

COLLABORATION

- I will be considerate of each department's needs and work together with others to cultivate a positive environment.
- I will recognize my teammates for a job well done.
- I will share information, ideas, expertise, and concerns and offer solutions for making this a better place for patients, employees, visitors and students.

H

HONESTY

- I will act with honesty and integrity without compromising the truth.
- I will speak up and report unethical situations and/or behaviors.
- I will deal fairly, ethically and honestly with others and treat them as I would expect to be treated.
