

Hospital Staff Members,

On Thursday, January 27, 2011, the hospital's leadership group will be away from the building for Leadership Development Institute #20. We have chosen an off-site location (basement of local church) so that our full attention can be devoted to learning.

The agenda for this leadership training will include:

2010 Hospital Goal Results

2011 Goals Workshop:

The Meaning of Meaningful Use

The Leader's Role in Days Cash on Hand

HCAHPS

Positive Leadership Skills Workshop

As a reminder, on February 2 and 3, the 2011 Goal Workshop (an employee-oriented version) will be presented to all employees attending EDI#3.

This leadership training is in keeping with our efforts to make War Memorial Hospital a great place for employees to work, for patients to receive care, and for physicians to practice.

If you have any questions or comments, please feel free to contact me.
