

THE *Scheurer* WAY

Better Health. Better Life. Better Us.

CLINICAL CRUSADER, 1st Quarter Evaluation

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The team communicated well together in regards to ideas and tasks to accomplish.					
The team portrayed good teamwork, everyone contributed the same amount of time to the tasks.					
The facilitator preformed as a facilitator and not as a leader.					
I feel I can offer my suggestions, questions, and concerns openly without judgment.					
I feel our meetings are meaningful and productive.					
We have too many meetings.					
I have a good understanding of the importance of our task and purpose of our team.					
I believe we should assign members roles, such as treasurer, team leader, scribe, ect					
I feel that I am the voice of my department when I contribute suggestions to the team.					

What is one thing positive you feel you have gained (professionally or personally) during the first quarter experience:

What is one thing you would like to see improved in our team moving forward into the next quarter.
