

PURPOSEFUL ROUNDING

Thank you for choosing Grant Regional Health Center
for your healthcare needs.

We are here to provide quality care and assist you during your stay.

We will check on you frequently to ensure that your needs are
being met by addressing the following:

Positioning:

Making sure you are comfortable.

Pain Management:

Making sure you have assistance with pain control.

Personal Needs:

Making sure all items are within reach and bathroom
needs are addressed.

Plan of Care:

Making sure you are informed of your plan for recovery.
