

WE ALL CAN TIDY UP SCCH KEEPING IT CLEAN

SPRING CLEANING WEEK MAY 20-24

SCCH is all of our “Home” away from “Home” & we need to work together to help keep it clean! The Pet committee needs help from everyone to reach our goal of 80% from 62.5% to increase our score.

During Spring Cleaning week we can work together to clean up our departments, help our fellow departments, and get our “home” away from “home” cleaned up! See clutter, remove it! Trash on the floor, pick it up! Feel free to use the dumpster out back for larger items.

Pick it up!
